

Try and make the total indicated using the six values provided and using only the four operations.

You will be scored on how close you get to the target number.

If you get the target number you will receive 3 marks.

If you are within 1 or 2 from the target number you will receive 2 marks.

If you are within 3 or 4 from the target number you will receive 1 mark.

*(Values can only be used more than once if shown twice. Not all the numbers given and operations need to be used.)*
